

Out From Under Entitlement

Luke 15:11-31

- 1) God chooses to _____ those who ask for mercy with honest, humble faith.

“The son said to him, ‘Father, I have sinned against heaven and against you. I am no longer worthy to be called your son.’ Luke 15:21

- 2) God does **not** acknowledge human _____ or entitlement in the equation of salvation and grace.

“It does not, therefore, depend on human desire or effort, but on God’s mercy” Romans 9:16

- 3) God gives an _____ to the unentitled.

They may be deeply flawed, brutally broken, so steeped in sin they are barely breathing, but if they reach up to God in humble faith- they become God’s children, God’s heirs.

“Now if we are children, then we are heirs- heirs of God and co-heirs with Christ...” Romans 8:17a
